

# Digital Adventure Packet: The Very Hungry Caterpillar

Hi Davenport Junior Theatre Friend! We miss you at camps and in-person classes, but we still want you involved in theatre at home. We have created a Digital Adventure Packet to bring the fun of Davenport Junior Theatre to your home! This packet contains instructions for crafts you can do at home. Visit [www.DavenportJuniorTheatre.org/learning-channel](http://www.DavenportJuniorTheatre.org/learning-channel) to watch tutorial videos for all of your crafts. We would love for you to act out *The Very Hungry Caterpillar* during storytime! We will have a video uploaded to our YouTube channel for you to follow along with. We invite you to record your performance and post it to social media using the **#DJTAdventurePacket**. We are looking forward to seeing your creations!

Hey Junior Theatre Friend! We're so glad you made it to the end of this Adventure Packet. We hope you had fun trying out all these crafts and practicing your acting skills! Davenport Junior Theatre has been very lonely without you, and we look forward to seeing you back on campus when we are able to once again open our doors. Until then though, we sincerely hope you had a good time completing your Adventure Packet. We had a ton of fun putting it together for you! Enjoy the rest of your summer, and hopefully we'll see you soon!
