

Digital Dance Packet!

Hi Davenport Junior Theatre Dance friend! We miss you at in-person classes and we still want you to be involved in dance at home. While we do have a virtual dance session starting in July, we have created this Digital Dance Packet to bring the fun of Davenport Junior Theatre Dance to your home for free! This packet contains activities for you to try at home! We invite you to record and take pictures of your creations and post it to social media using the **#DJTDancePacket**. We are looking forward to seeing your awesome creations!

What To Do!

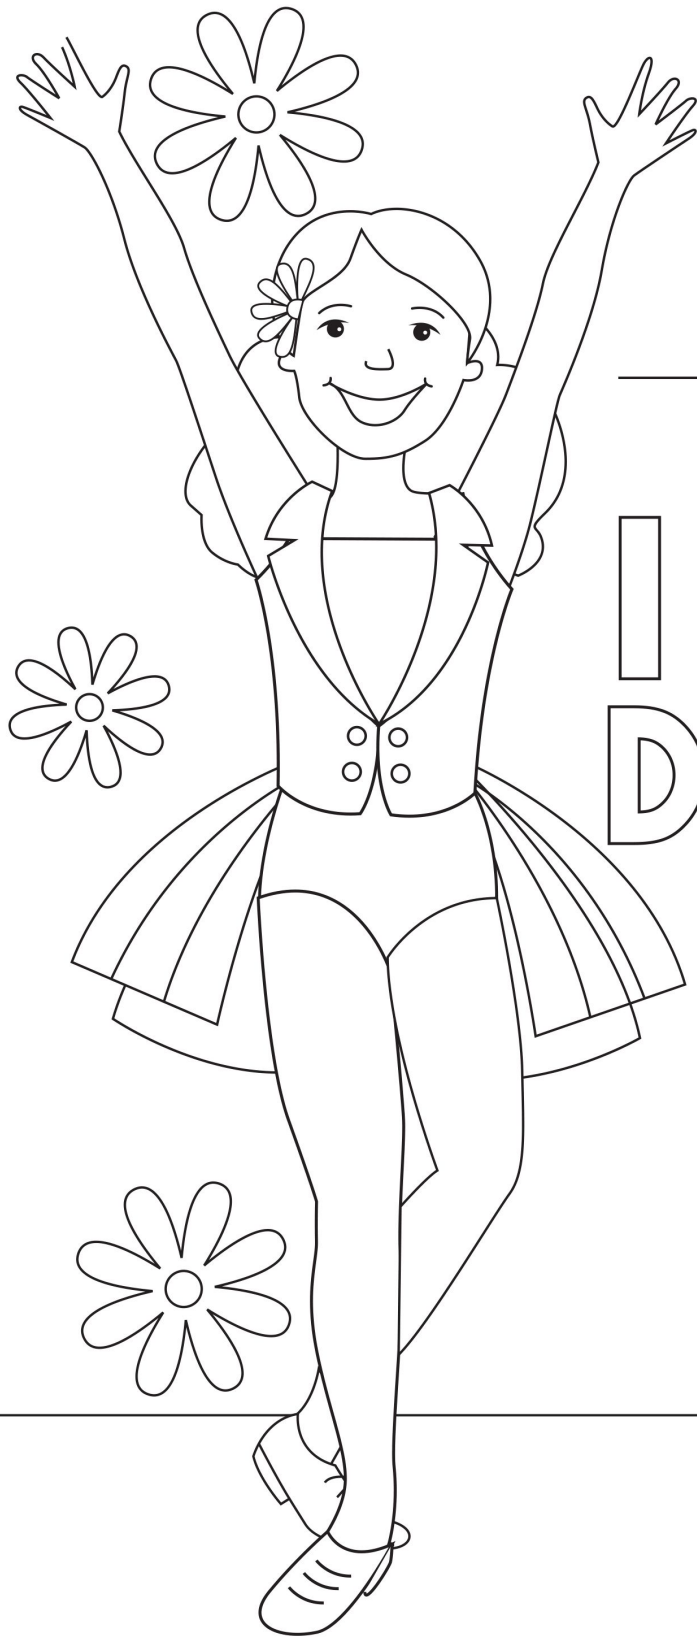

The packet we have created for you includes dance themed coloring pages and dance cards. We also invite you to create a unique dance to share with us using the dance cards! The dance cards are labeled by difficulty with some suggested dance moves to use. You will also find a timestamp on the bottom of each card; this indicates where you can see an example of the move displayed in a video format. Check the video out at www.DavenportJuniorTheatre.org/learning-channel! You are also welcome to add in additional dance moves that you have learned in class! We would love to see videos of your dance or pictures of the activities you did. Be sure to post them all to social media using the **#DJTDancePacket**. We can't wait to see what you create!

We sincerely hope you have a good time completing your Dance Packet. We had a ton of fun putting it together for you! Enjoy the rest of your summer and we'll see you soon!

Sincerely,

Showtime Pal and the DJT Creative Team
